TCGCC: Technical Committee on Green Communications and Computing

Green

Energy-efficient
Resource-efficient
Environment-friendly
Sustainable
Reliable, Resilient
Computation-efficient

Communications

Wireless
Internet
Optical
IoT
Transport, UAV, smart grid,
healthcare, Blockchain

Computing

Cloud computing
Edge computing
Data center
AI
Data-driven approaches
Renewable energy

Facts

1000+ members

8 SIG

4+ journals

2 meetings/year

4 seminars/year

3+ awards

Members' benefits

Editor

Recommendation to our 4+ collaboration journals every year

Awards

Receive technical and service awards from TCGCC annually

DL

DL (Distinguished Lecturer) up to 4 nominations to ComSoc

Chair

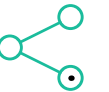

Symposium chairs nomination to ICC/Globecom

Seminar

World-leading scientists give talks in our ACT seminar series

Connection

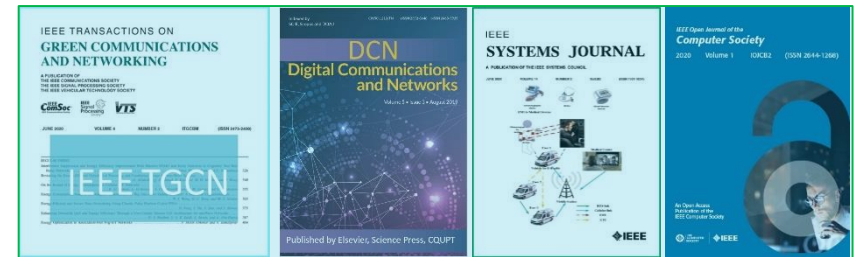

Networking and receive/post messages in official mailing list

What is happening NOW?

Call for nomination for Editors

We are now calling for editors for 4 journals: IEEE TGCN, DCN, IEEE Systems, IEEE OJ-CS. Please check the official website for more information.

Call for nomination for Awards

We are now calling for Service and Researcher Awards for the year of 2020.
Deadline: 15 September.

Seminar on 13 August **ACT**

4 IEEE Fellow give talks in our ACT (Advanced Green Communications and Computing) seminar on "AI for Green 6G"

Joining TCGCC is free & simple

Step 1

send membership application with your information & background
tcgcc-membership@googlegroups.com

Step 2

subscribe to the official TCGCC mailing list:
<https://cm-listserv.ieee.org/cgi-bin/wa?SUBED1=tcgcc&A=1>

Step 3 (if needed)

you can post messages to the mailing list:
tcgcc@comsoc.org
