

Recommendation for Editors of IEEE Systems Journal

Overview

In order to strengthen the collaboration between IEEE ComSoc TCGCC and the journal IEEE Systems Journal (ISJ), we plan to recommend *two Editors* from TCGCC for the journal ISJ. After the deadline 15 August, 2021, we have received **12** nominations.

Selection Committee

- Yan Zhang, University of Oslo, Norway (TCGCC Chair)
- Edith C. H. Ngai, The University of Hong Kong, Hong Kong, China
- Peter Chong, Auckland University of Technology, New Zealand

Recommendation

On 15 September 2021, the selection committee had a meeting to evaluate all nominations. The committee has considered many different aspects, including scientific contributions, TCGCC activities/involvement, and diversity. After careful discussion, the committee plans to recommend the following two names to prof. Amir Aghdam, the EiC of the journal ISJ.

- Chau Yuen, Singapore University of Technology and Design, Singapore. Email: yuenchau@sutd.edu.sg
- Jun Wu, Shanghai Jiao Tong University, China. Email: junwuhn@sjtu.edu.cn

At the same time, we have one application from a female researcher with good track record. We believe that gender balance is very important for a journal's development as well as our scientific community development. We would like to strongly support the third name for consideration, which is up to the EiC to decide if space is still available.

- Lei Xu, Beijing Institute of Technology, China. Email: xu.lei@bit.edu.cn

Selection committee: Yan Zhang, Edith C. H. Ngai and Peter Chong

Date: 15.09.2021
