

|| CALL FOR NOMINATION FOR TCGCC AWARDS

OVERVIEW

i TCGCC (Technical Committee on Green Communications and Computing), IEEE Communications Society, provides its platform to identify significant research and development challenges, and to collaborate and propose solutions in the development of energy-sustainable, resource-saving, and environment-friendly green communications and computing technologies. Our committee not only addresses green communications, computing, networks and relevant systems but also investigate exploiting communications, computing, networks, services, applications and systems to achieve the green and sustainable world. You are suggested to read the official website and find more information at: <https://tcgcc.committees.comsoc.org/>

We invite the nominations of IEEE ComSoc TCGCC Service and Researcher Awards for the year of 2022. In particular, we are calling for three types of awards: TCGCC Distinguished Technical Achievement Recognition Award, TCGCC Distinguished Service Award, and TCGCC Outstanding Young Researcher Award. For these awards, nomination will be solicited from the TCGCC members annually.
